JB Salsbury is a New York Times and USA Today bestselling author who has captivated readers around the world. Her unforgettable new novel is a story of romance and suspense, with a twist no one will see coming . . . What do you do when you wake up with no memory of what you did last night? Lucas spent the first half of his life protecting himself from others, but now his own mind is his biggest enemy. He doesn't know what happens when the blackouts overtake him, but he can recall the feelings---the rage, the confusion, the fear. Thankfully the quiet life he's found in Payson, Arizona has kept the darkness at bay. Until his boss's estranged daughter shows up in town, asking questions she shouldn't and sparking a desire Lucas can't control.
