BOOK SYNOPSIS

PARANOIA JOSEPH FINDER Adam Cassidy is twenty-six and a low level employee at a high-tech corporation who hates his job. When he manipulates the system to do something nice for a friend, he finds himself charged with a crime. Corporate Security gives him a choice: prison - or become a spy in the headquarters of their chief competitor, Trion Systems. They train him. They feed him inside information. Now, at Trion, hes a star, skyrocketing to the top. He finds he has talents he never knew he possessed. Hes rich, drives a Porsche, lives in a fabulous apartment, and works directly for the CEO. Hes dating the girl of his dreams. His life is perfect. And all he has to do to keep it that way is betray everyone he cares about and everything he believes in. But when he tries to break off from his controllers, he finds hes in way over his head, trapped in a world in which nothing is as it seems and no one can really be trusted. And then the real nightmare begins... From the writer whose novels have been called "thrilling" (New York Times) and "dazzling" (USA Today) comes an electrifying new novel, a roller-coaster ride of suspense that will hold the reader hostage until the final, astonishing twist. Now a major motion-picture starring, Harrison Ford, Liam Hemsworth and Gary Oldman.
