BOOK SYNOPSIS

With input from teens, parents, and numerous experts, Teens Guide to College & Career Planning knows just how to talk to high school students about the important decisions involving life after graduation. This easy-to-read guide, with updated content, enables busy students to hone in on the right information for them.

Whether its mapping the road from high school to college, figuring out financial aid, determining if joining the military is the right move, preparing for an interview, or developing early career skills, Teens Guide addresses each option available to young adults with meaningful information. Inside youll find valuable advice from guidance counselors, instructors, college admission officials, military officers, and-most importantly-other high school students! Also includes, expert tips for interviews, resumes, and cover letters. With new content written by Justin Muchnick, current high school junior and author of Petersons® The Boarding School Survival Guide, this guide will help you get ready for life after high school.
